for May 2, 2017.
2. There is a pending motion for an evidentiary hearing, Doc#152, set for April 4, 2017. The
government's response is due March 30, 2017. In its response, the government will agree
that an evidentiary hearing is appropriate prior to sentencing.
3. Counsel for the parties believe that the April 4, 2017 hearing should concern the pending
motions for an evidentiary hearing, rather than sentencing, and that the sentencing hearing
should be continued to a future date, which date can be set on April 4, 2017..
